

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF TRANSPORTATION

d. Planning and Sustainability Division

MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Anna Chamberlin
Project Review Manager 

DATE: August 31, 2018

SUBJECT: BZA Case No. 19775 – 1755 Newton Street NW – Bancroft Elementary School

APPLICATION

The District of Columbia Public Schools (the “Applicant”), pursuant to Title 11 (2016 Zoning Regulations) of the District of Columbia Municipal Regulations (DCMR), Subtitle X, Chapter 9, requests a special exception under Subtitle C § 1504 from the penthouse setback requirements of Subtitle C § 1502.1 (b) and (c), to construct rooftop mechanical equipment screening on an existing public school. The site is located at 1755 Newton Street NW (Square 2619, Lot 654) in the RF-1 Zone.

RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the application materials and has determined that the proposed action will not have adverse impacts on the District’s transportation network. DDOT has no objection to the approval of this application.

PUBLIC SPACE

DDOT’s lack of objection to the application should not be viewed as an approval of public space elements. If any portion of the project has elements in the public space requiring approval, the Applicant is required to pursue a public space permit through DDOT’s permitting process. The Applicant should refer to Titles 11, 12A and 24 of the DCMR, DDOT’s Design and Engineering Manual, and DDOT’s Public Realm Design Manual for public space regulations and guidance.
