

## The Hillcrest Community Petition for BZA 19787

---

The Hillcrest Community – Owners/Residents/Tenants of 29<sup>th</sup> St., 30<sup>th</sup> St., Erie St, Denver St, Alabama Ave., and Naylor Road **oppose BZA 19787**, the request for a special *exception* under the Inclusionary Zoning requirements of Subtitle C 1001.2(e)(3), to construct a rear addition and proposed increased elevation to the existing flat -2604 29<sup>th</sup> Street, SE (square 5643, Lot 18) and convert it into a 12-unit apartment house in the RA-1 Zone at premises 2604 29<sup>th</sup> St S.E. (square 5643, Lot 18) thereby converting this building from a 4-unit apartment house into a 12-unit apartment house in the RA-1 Zone.

Specifically, we ask that the zoning board not to approve a deviation from the current zoning designations to a much higher density of development and instead maintain the current, well thought-out zoning plan to avoid:

- increasing the foot and vehicle traffic; and parking problems in the already highly congested area and proximate streets and main thoroughfares,
- exacerbating the overcrowding in the District of Columbia Public Schools
- introducing significant more disruption, and nuisance to the closely surrounding residents that comes with increased population.
- congestion and a less desirable community for the Hillcrest Community to work and play in exchange for one developer's profits is not sound city planning.

Therefore, in light of the above and other concerns, we ask the BZA to please deny **BZA 19787**, the request submitted by 2604 29<sup>th</sup> Street, LLC., to the BZA for a *special exception* under the Inclusionary Zoning requirements of Subtitle C 1001.2(e)(3), to construct a rear addition and proposed increased elevation to the existing flat -2604 29<sup>th</sup> Street, SE (square 5643, Lot 18) and convert it into a 12-unit apartment house in the RA-1 Zone at premises 2604 29<sup>th</sup> St S.E. (square 5643, Lot 18) thereby converting this building from a 4-unit apartment house into a 12-unit apartment house in the RA-1 Zone. Instead we oppose this request in favor of maintaining the current zoning plan, one which was well thought-out to balance the long term interest and quality of life of the Hillcrest Community over developer profits.
