Re: Withdrawal of Appeal No. 19813

Dear Mr. Moy,

On behalf of ANC 6C, I write to voluntarily withdraw the appeal in BZA 19813.

According to official online records, the original permit, as well as the amended permit that was the subject of our recent Motion to Incorporate, was surrendered and canceled on July 17. Counsel for DCRA has confirmed this to me in writing.

It therefore appears that there is no longer a live controversy for the Board to resolve, making the appeal moot.

Sincerely,

Mark Eckenwiler  
(as authorized representative  
For ANC 6C)
