Re: BZA Zoning Application
Judith A. LaValle, 1515 E St SE

I am a neighbor of Judi Lavalle and Jeff Goins at 1515 E St, SE. They are seeking zoning relief from the District of Columbia zoning laws to build an extension. The relief requested is to extend the addition beyond the 10ft allowed by current zoning. They have shared the proposed drawings of the proposed design.

I support the relief requested of the addition.

The rear addition will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps, and will not affect adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Maps, and as such qualifies under Subtitle E, Chapter 2, §205.5.
