Philip Kroskin

Senior Vice President of Real Estate

As senior vice president of Real Estate, Philip focuses on the growth of Sunrise through the development of new communities. He works with the Sunrise business development and finance team to consider acquisitions, additional product offerings, and new operational opportunities. Prior to his current role, which he assumed in 2014, Philip served as senior vice president, asset management, at Sunrise. Philip has been with Sunrise since 2009.

With more than 20 years of real estate background, Philip has extensive expertise in development, acquisitions, joint venture structuring, property valuation and asset management for The Mills Corporation, Bos Group, and Arthur Andersen Real Estate Services.

Philip is a graduate from the University of Virginia architecture school with a bachelors and master's degree in urban and environmental planning. He has been a guest lecturer for UVA's Darden School of Business in Real Estate Development and Finance and a graduate student mentor at Master of Professional Studies in Real Estate at Georgetown University.

ANDREW ALTMAN

Andrew Altman is a nationally recognized leader in urban planning and transforming cities.

Mr. Altman was the first Chief Executive Officer of the London Olympic Park Legacy Company in London, England from 2009-2012. As CEO he led the master planning and development of the largest regeneration project in the United Kingdom to position the 600-acre, 2012 Olympic Park for its post-Game use as a new international growth center. The London Olympic Park has been widely recognized as the most successful example of the master planning of an Olympics event to catalyze urban development.

Before being recruited to London for the 2012 Olympics, he was the Deputy Mayor for Economic Development and Planning for the city of Philadelphia under Mayor Michel Nutter. He chaired the Delaware River Waterfront Development Corporation and the City Planning Commission.

Mr. Altman first established himself as an internationally recognized urban planner in Washington, DC as the city's Planning Director under Mayor Anthony A. Williams. He was involved in mediating many land use and historic preservation projects. He led the Anacostia Waterfront Initiative, which won numerous national planning and design awards, and was the founding CEO of the Anacostia Waterfront Corporation.

Mr. Altman has held numerous fellowships related to urban planning including as a Senior Visiting Fellow at the London School of Economics, a Non-Resident Senior Fellow at the Brookings Institute Center for Metropolitan Policy, a Loeb Fellow at the Harvard Graduate School of Design, a German Marshall Fund Transatlantic Fellow in Europe and was a Lady Davis Fellow at the Technion University in Israel. He has been a visiting lecturer at the Harvard Graduate School of Design, the University of Pennsylvania and the London School of Economics. He has a Masters in City Planning from the Massachusetts Institute of Technology.

Mr. Altman is currently the co-founder of Fivesquares Development, a real estate development company based in Washington. Mr. Altman speaks and consults on urban planning internationally, and is an Advisor to the School of Architecture and Planning at the Massachusetts Institute of Technology.

Daniel B. VanPelt, P.E., PTOE
