Dear Mary L. Gaffney,

We own the vacant lot 308 62nd ST NE, Washington DC 20019 which is in R-2 zone and requires Lot Width and Side yard variance to develop this project. We plan to submit an application to BZA for obtaining these variances for this property to build a single family house. Please see the attachment of elevations and floor plans and let us know if you have any comment.

Respectfully,

M Sikder
