District of Columbia**

Subject: Request to add one variance on BZA Case 19832 –308 62ND ST NE in the Hearing on October 24th

Dear Sir/ Madam,

We would like to state that, our Architectural Plan was revised by Office of Planning and we were suggested to add one more variance Subtitle D 307.4 in to our application. Therefore we revised our case and added this variance accordingly. We would like to request the board that the requirement of re-noticing the additional variance be waived so that we can proceed on October 24 with the public hearing for this case.

Thank you.

Respectfully,
