To: DC Board of Zoning Adjustment:

We, the neighbors of 62nd Street NE and members of the Northeast Boundary Civic Association opposed granting a Variance at 308-62nd St., NE to erect a new semi-detached dwelling. The space footage is entirely too small. It will be more difficult for Garbage and Fire Trucks to enter into the alley. The house will not be in compliance with all the already constructed brick apartment buildings. After several presentations by Mr. Sikder, District Properties to the community, ANC 7C and SMD 7C05, it was opposed each time.

Therefore,, we are asking the Board of Zoning to assist us by opposing Application No. 19832. Thank you very much.

Mary L. Gaffney

ANC Commissioner
