Letter of Support - Case #19862

To Whom It May Concern:

As a local business owner, I'm filing this letter of support for the proposed Heights Holdings LLC apartment complex at Park Rd and 11th Street NW. The proposed structure will abut my business, RedRocks Firebrick Pizzeria, located at 1036 Park Rd NW.

The property owners have shown the desire to have a positive impact on Columbia Heights, and in my mind have taken care in addressing the concerns I have regarding the potential neighborhood and business disruption at different phases of the construction project. I support their efforts in the revitalization of the 11th Street corridor of Columbia Heights.

Sincerely,

James O'Brien, Owner
