To Whom It May Concern,

As a church in the now historic Bloomingdale Community, I wanted to write this letter in support of the proposed expansion of the Jam Doung Style Restaurant. We are aware and understanding of the concern that's been raised by those restaurants who feel that it inconveniences them in respect of parking. There have been a number of restaurants that have over the past 10 years established businesses in the community that has already impacted residential parking. Jam Doung Style Restaurant should be afforded the same opportunity as those restaurants who have established businesses in the Bloomingdale area.

As a church parking for us has been a concern. Most of the time persons coming to patronize businesses park directly in front of our church without consideration of our congregants who travel throughout the DMV who are then disenfranchised when it comes to parking. We however have continued to support, encourage and recommend our congregants and visitors support the neighborhood establishments. And we leverage our support now for the Jam Doung Style Restaurant.

It would be my hope that as a growing community that we find ways to strengthen partnerships between neighborhood residents, businesses and churches.

Sincerely,

Rev. Heath L. Cheek, D.Min. Pastor Metropolitan Wesley A.M.E. Zion Church
