

MICHAEL WATSON
GENERAL CONTRACTOR
117 NEW YORK AVE, NW
WASHINGTON, DC 20001

JANUARY 15, 2018

Dear Board of Zoning,

This letter is from Michael Watson, I'm a general contractor in the Washington DC area.

I'm writing this letter because I was contracted by Ms. McCoy to do some work at 1724 North Capitol St. NW Washington DC. The conversion was minor as the property already appeared to be a commercial space. It had no kitchen and only a half bathroom.

Around 2006 I convert the second floor of the building into a working hair dresser. I was asked to removed a wall, which I did. I added two work stations and two shampoo bowls. I replaced the furnace and her roof also.

If you have any questions, please contact me at the information listed above.

Best Regards,

Michael Watson
