CASE NO.: 19887

I, Betsy McDaniel hereby request the following relief:

- Accept an untimely filing of _____
- To reopen the record to accept additional information to address issues raised during the hearing.

Points and Authorities:

Accept an untimely filing: Please state each and every reason you believe the Zoning Commission (ZC) or Board of Zoning Adjustment (BZA) should grant your request to accept an untimely filing, including relevant references to the Zoning Regulations or Map. If you require more space, please use a separate piece of paper.

Reopen the Record: Please state each and every reason you believe the ZC or BZA should grant your request to reopen the record, including relevant references to the Zoning Regulations or Map. **The document(s) that you are requesting the record to be reopened for must be submitted separately from this form (see instructions). No substantive information is to be included on this form.**

Following the January 19 meeting, I was tasked with sharing the proposed conditions with the unit block of Randolph Place. I would like to share a brief summary of the feedback to the document (Exhibit 55) that I received from those neighbors.

In addition, many unanswered questions were raised by BZA Boardmembers during the December 19 hearing and I would like to provide historical information that answers those questions, including a list of the past uses of the subject property and the building permit for the row of five dwellings.

I/We certify that the above information is true and correct to the best of my/our knowledge, information and belief. Any person(s) using a fictitious name or address and/or knowingly making any false statement on this application/petition is in violation of D.C. Law and subject to a fine of not more than \$1,000 or 180 days imprisonment or both. (D.C. Official Code § 22-2405)
