RE: BZA# 19988—1322 D Street, SE

Dear Director Bardin,

As noted by the applicant in Exhibit 38, the original plan included a 20 foot rear addition that was two stories in height. In order to address the concerns of adjacent neighbors, the applicant has agreed to reduce the depth of the addition to 13 feet matching the depth at 1318 D Street, SE. The CHRS Zoning Committee heard this case at its meeting on January 10, 2019, and voted to support the application.

Respectfully,
