Aspa,

I have good news. The consent calendar item recommending approval of your zoning application passed at the ANC meeting last night.

Thanks again for presenting at the ANC's Planning and Zoning Committee and good luck with your project. If I can be of any assistance, please don't hesitate to contact me.

Jimmy - thank you so much for all your help on this matter.

Since you do not believe it is necessary, I will not be attending the meeting. The signs for the February 6th hearing are on my door and I am hoping all goes smoothly!

If you would be so kind to let me know how it goes I would appreciate it. If anyone raises any issues and you need to contact me please feel free to reach me at 202-277-9444.

Thank you again!
Aspa

Aspa,

Thank you for attending the ANC 3C Planning and Zoning Committee meeting last week, especially on such short notice. Our next full ANC meeting is scheduled for Wednesday, January 23, at the Cleveland Park Library. My fellow commissioners have agreed to place your application on the consent calendar for that meeting. That means that, unless there is any objection at the meeting (and none is expected), we will recommend approval. There is no need for you to attend or present at the meeting.

Please let me know if you have any questions or concerns.

Thanks again,

Jimmy
