Ref: Special Exception for a rear addition to residence at 1639 Potomac Ave. SE

This letter is to indicate our approval for the plans of our neighbors, James Trainum and Diana Havlin, to remove an existing one story enclosed rear porch and replace it with a two story rear addition, within the existing footprint, at their residence of 1639 Potomac Ave. SE

We have reviewed their drawings and approve of and support their request for a Special Exception to proceed with this project.
