Re: BZA Application for 1400 Montana Avenue NE, BZA Application # 19960 - Letter in Support

Dear Chairman Hill and Members of the Board,

I live near 1400 Montana Ave, have spoken to the owner, and understand about the apartment project they want to build. I am writing to offer my full support of this application. The project would serve as a great location for additional housing, and would help to make the area safer. We have a lot of loitering now in the area and more people living over there would help people feel more comfortable in their neighborhood.

I do not believe the approval of this project will have any adverse impact on the neighborhood. I strongly recommend the Board approve the zoning relief and allow the building process to proceed. Thank you very much.

Sincerely,
