Re: Request for Postponement - BZA #19971  
Application of Grid Alternatives Mid-Atlantic on behalf of the District of Columbia Square  
6274 Lots 800, 801 and 802

Dear Board Members:

As Applicant, we respectfully request a postponement of the Board of Zoning Commission's public hearing to consider the above-referenced application. The public hearing is presently scheduled for April 10, 2019. The Zoning Commission is considering a Zoning Text Amendment that would allow the proposed use by right on April 1, 2019, which would eliminate the need for the requested special exception, and, while we anticipate a favorable outcome, we want to preserve our place in the cue should the amendment not pass. Additionally, due to illness, our meeting with the ANC scheduled for February 28th was rescheduled until March 28th. Therefore, we will not have ANC feedback in time for our 21 day prehearing statement filing for the current hearing date.

As the Applicant, we respectfully request the BZA to postpone the public hearing to May 15, 2019, or the next available date, if the preferred date is not available.

Respectfully Submitted,

GRID Alternatives Mid Atlantic
