Re: Request to Postpone Hearing Date; Application No. 19982.

Dear Members of the Board:

I am writing on behalf of the Applicant in the above-referenced application to request a postponement of the scheduled hearing date from April 17, 2019 to May 22, 2019. The Applicant has attended three community meets and two full ANC meetings. At the most recent ANC meeting on April 9, 2019 the ANC requested that the Applicant attend its meeting on May 14, 2019 so that it can review the plans again and take a final vote. The Applicant has agreed to postpone the hearing so the ANC can review the plans.

Thank you for considering this request.

Sincerely,

Martin P Sullivan
