Thank you Commissioner.

I have requested Commissioner Muhammad the opportunity to present our project at 917 43rd PI NE at the June Executive Meeting, I just have not gotten a response back yet. Is it possible that I can also present this project at 4417 Foote St. NE at the Executive Meeting to give a better understanding of the design?

Respectfully,

Hello Mr. Davis,

After printing and reviewing your proposed project, I would like to see if you can do a presentation to the Commission. Thank you for your request. I think it will be most beneficial for your company if you are able to present your project to the commission.

Thanks,
