Re: BZA Zoning Application
Anna-Louisa Yon + Edwin Darilek
323 5th St. SE

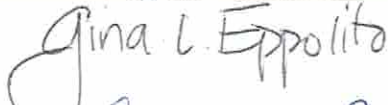

To Whom It May Concern,

I am a neighbor of Anna-Louisa Yon + Edwin Darilek of 323 5th St. SE. Anna and Edwin are seeking zoning relief from the District of Columbia zoning laws to build a brick, 2-story rear addition. The relief requested is to extend 20 feet total - 10 feet beyond what is allowed by the current zoning. They have shared drawings of the proposed design.

I support the relief requested of the addition to their family home.

The size and materiality of the proposed rear addition keep with the scale and character of the neighborhood. It will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps, and will not adversely affect the use of neighboring property in accordance with the Zoning Regulations and Zoning Maps, and as such qualifies under Subtitle E, Chapter 2, 205.5
