HISTORIC DUPONT CIRCLE INN

Washington, DC, August 14<sup>th</sup>, 2019

To Whom It May Concern,

I, undersigned, Isabelle Hauswald, official representative of Swann House Bed & Breakfast, is issuing this Letter of Support to Zeta Phi Beta Sorority to underline how much we appreciate to have the organization as part of our community in the Dupont Circle area.

We encourage the highest standards of scholastic achievement, the sense of unity developed among its members, and the community-conscious, action-oriented organization that the Zeta Phi Beta is promoting.

The organization is a pleasure to have in our neighborhood as it is bringing the ideas of service, charity, scholarship, civil and cultural endeavors, sisterhood and finer womanhood.

Should you have any question, please, feel free to contact me.

Kind regards,

Isabelle Hauswald

General Manager
