Corey, Barbara;

I am copying Tracey from the office of zoning on this email. Corey this is a copy of the request for postponement of our hearing date of September 18th for BZA case #20106. As mentioned previously this is to further study the outdoor area and develop a plan for that space and determine if a variance is needed.

This is to serve the ANC of notice of postponement request and The ANC accept this letter as the 7 days' notice per the guidelines in 407.3.

Regards,
Jeff
