

Government of the District of Columbia

Department of Transportation

d. Planning and Sustainability Division

MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Anna Chamberlin
Neighborhood Planning Manager

DATE: September 20, 2019

SUBJECT: BZA Case No. 20123 - 1440 T Street SE

APPLICATION

Darius Arod (the "Applicant"), pursuant to Title 11 (2016 Zoning Regulations) of the District of Columbia Municipal Regulations (DCMR), Chapter 9, requests for special exception under Subtitle D § 5201 from the side yard requirements of Subtitle D 206.2, and the rear yard requirements of Subtitle D § 306.2, to construct a rear deck addition and a rear porch addition. The site is located in the R-3 Zone at 1440 T Street SE (Square 5605, Lot 835).

RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the application materials and has determined that the proposed action will not have adverse impacts on the District's transportation network. DDOT has no objection to the approval of this application.

PUBLIC SPACE

This review only pertains to zoning issues and does not consider potential impacts to District owned public space. DDOT's lack of objection to this application should not be viewed as an approval of public space design. If any portion of this or future projects at the property propose elements within District owned public space, the Applicant is required to pursue a public space permit through DDOT's permitting process. A permit application can be filed through the DDOT [Transportation Online Permitting System](#) (TOPS) website.

DDOT expects the adjacent public space to meet all District standards. The Applicant should refer to Titles 11, 12A, and 24 of the [DCMR](#), and the most recent version of DDOT's [Design and Engineering Manual](#), and DDOT's [Public Realm Design Manual](#) for public space regulations and design guidance.
