RE: Variance Request — Case 20135 — 3428 O St., NW

I strongly support the opposition of my neighbors, along with Councilman Jack Evans, Commissioners Rick Murphy and Joe Gibbons, and the Citizens Association of Georgetown to the BZA's approval of the use variance request referenced above.

I appreciate the BZA's consideration of my position in this matter.

Please reject the variance application for a Call Your Mother Bagel Shop to operate in an R-20 zone at 3428 O St., NW.

Thank you,

Jayne H. Plank
