Description of Work

***DGS New building with 50 residential apartments for Short Term Family Housing (STFH). 35 will be 2 and 3 bedroom apartments. The remaining units will be 1 bedroom apartments for Permanent Supportive Housing (PSH). Staff parking (9-12 spaces) is located on one level, partially below grade in the new building. The building will be one partially below grade parking level and five above grade levels including residential units, parking and building services, community rooms, and administrative space. The site will also include outdoor recreation space, a courtyard playground for use by residents of the STFH program and a terrace for the PSH residents. The building is expected to achieve a LEED for Homes Gold rating with sustainable features such as high efficiency systems and fixtures, green roofs, and a continuous thermal envelope.
