AN ACT

D.C. ACT 21-412

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

JUNE 13, 2016

To authorize the Mayor to use designated funds, appropriated for the purpose of developing replacement shelter facilities for the DC General Family Shelter and for the apartments used for temporary shelter at 1433 and 1435 Spring Road, N.W., to acquire specified parcels of land, including through the use of eminent domain, and to construct 7 new facilities, in Wards 1, 3, 4, 5, 6, 7, and 8, to provide temporary shelter for families experiencing homelessness.

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Homeless Shelter Replacement Act of 2016".

Sec. 2. The Council finds that:

- (1) On a given night in the District, more than 7,000 men, women, and children experience homelessness.
- (2) Each day, the DC General Family Shelter houses approximately 250 families experiencing homelessness.
- (3) The DC General Family Shelter is antiquated and inadequate, and its current conditions limit the District's ability to provide necessary services and support to families experiencing homelessness.
- (4) Best practices suggest that children and families do best when short-term housing is provided in smaller-scale, service-enriched, community-based settings, and it is therefore in the best interest of the District to replace the DC General Family Shelter with a series of facilities throughout the District that provide temporary shelter.
- (5) The apartments used by the District to provide temporary shelter to families experiencing homelessness at 1433 and 1435 Spring Road, N.W. (the "Spring Road Shelter"), are antiquated and in need of replacement, and the District's lease of those apartments is expiring.
- (6) In order to close the DC General Family Shelter and replace the Spring Road Shelter, the District needs to construct new facilities that are safe and dignified spaces for families experiencing homelessness.

- (7) It is in the best interest of the District to construct these new temporaryshelter facilities on District-owned land, in part to avoid the disruption to the provision of services in the continuum of care that would accompany the eventual expiration of leases.
- (8) The new shelter facilities will be constructed on District-owned land; however, for 2 sites, the District will need to acquire the necessary property; doing so will advance the important goals of ensuring that the District owns the land on which each of the facilities is constructed and that each of the facilities is located in a different Ward, which in turn will allow the District to provide small-scale, community-based temporary housing services throughout the District.
- Sec. 3. (a) The Council authorizes the Mayor to use designated funds, as provided in this section, to provide temporary shelter for families experiencing homelessness by acquiring land, including through the use of eminent domain if necessary, and constructing 6 facilities containing DC General Family Shelter replacement units, as defined in section 2(11A) of the Homeless Services Reform Act of 2005, effective October 22, 2005 (D.C. Law 16-25; D.C. Official Code § 4-751.01(11A)), to replace the DC General Family Shelter, and one facility containing apartment-style units, as defined in section 2(3) of the Homeless Services Reform Act of 2005, effective October 22, 2005 (D.C. Law 16-25; D.C. Official Code § 4-751.01(3)), as follows:
- (1) The Mayor is authorized to use funds appropriated for capital project HSW01C Ward 1 Shelter to:
- (A) Acquire parcels of land located at 2105 and 2107 10th Street, N.W., and 933 V Street, N.W., Square 358, Lots 5, 6, and 802, including, if necessary, through the exercise of eminent domain in accordance with the procedures set forth in subchapter II of Chapter 13 of Title 16 of the District of Columbia Official Code, after the owner of the site pays any funds owed to the District government due to misclassification of that property that led to lost tax revenue; and
- (B) Construct a facility to provide temporary shelter for families experiencing homelessness containing 29 2- and 3-bedroom apartment-style units on the land to be acquired by the District pursuant to subparagraph (A) of this paragraph; provided, that, notwithstanding the requirements of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-351.01 et seq.), the District may contract with the current property owner for the construction of the facility specified in this subparagraph as part of an agreement to acquire the land; provided further, that if no agreement can be reached with the current property owner for the construction of the facility specified in this subparagraph, the contract for the construction of the facility shall be awarded pursuant to a request for proposals to be issued by the Department of General Services;
- (2) The Mayor is authorized to use funds appropriated for capital project HSW03C Ward 3 Shelter to construct a facility to provide temporary shelter for families experiencing homelessness containing up to 50 DC General Family Shelter replacement units on
