Dear Chairperson Mr. Frederick Hill,

My name is Raymond Chandler former ANC Commissioner 5B03 I am sending you this email asking to postpone the hearing for Case No. 20204 on Weds. July 29, 2020 at 9:30am, the developer who would like to build a 16 unit condo at 1001/ 1003 Bryant Street NE on a small one way street in which our block can not sustain it. came before the ANC5C board as a whole and ANC505 Commissioner Darlene Oliver public meeting, and met with total opposition against the project. he was instructed to hold a series of meetings with the impacted neighbors before Covid-19 hit our city, and he did not dates where setup and he never responded. he sent a certified letter to our homes during the month of June asking if we could call or email our concerns, as one of the block captains I responded in a email after talk with our neighbors we are in the midst of a pandemic. and focusing on the healing of our city and residents is our number one concern, and it would be best to meet with us when the city moves into phase 3. now we are all stunned and shocked to see that he has by passed the ANC process, and set up a hearing without trying to work we us to hear our concerns!!!!

Commissioner 5B03 Raymond Chandler

Peace and Blessing, former ANC
