(New development corner of Connecticut Avenue and Newark Street NW)

Dear Mr. Hill,

We are writing to register our opposition to granting a waiver of all off-street residential and commercial parking for the new development planned at the corner of Newark Street and Connecticut Avenue. While we do support new development in our neighborhood, it must come with parking so that the already tight parking situation is not further exacerbated. We feel that our concerns are fully represented by our neighbor Mark Rosenman (copied), who will hopefully be granted Party Status to speak on our behalf.

Yours sincerely,  
Dina Abu-Ghaida
