To: Mr. Frederick Hill, Chairman, Board of Zoning Adjustment

My husband and I vigorously oppose a waiver for off-street parking requirements requested by the Macklin developers at the corner of Newark St and Connecticut Ave. Parking on Newark St. is already extremely limited and to have intense competition for the available spaces would place an unfair burden on those residents who do not have driveways or parking strips. The quality of life on Newark St. is important to us all, and a waiver would surely have a negative impact on it.

Sincerely, Louisa and Bill Newlin
