Hi,

I am writing to support the application for the special exception of the parking requirement for the Macklin Project (3400 Connecticut Partners LLC - Case 20266). I have lived in the neighborhood for 8 years and I am excited to finally see the possibility of development that has the potential to enhance my neighborhood. Parking requirements should not be an issue impeding growth in an area with so much direct access to public transportation and as walkable as Cleveland Park.

Regards,
