>> Dear Chairman Hill,

>>

>> I am writing to respectfully request that you deny the River School's application for a special exemption and to support ANC3e who voted to oppose the application on October 14, 2021.

>>

>> My fiancée lives at 4326 42nd St., NW, Washington, DC 20016.
Portsmouth, Va 23704

I live at 353 London St.,

>>

>> The traffic and parking situation only continues to get worse in this neighborhood. When American University expanded the capacity at the Tenleytown Campus there was a noticeable increase in traffic and parking issues. It is not safe for all the children that walk to and from the numerous schools in the neighborhood. The mini circles AU installed did little to help these issues. When I come to visit my fiancée, I time my arrival and departure times to not coincide with the schools opening and closing schedule. It is only prudent to deny the River School Application in accordance with the ANC3e's recommendation..
