Re: Letter in Support of BZA Application No. 20488

Dear Members of the Board:

We are residents of communities in ANC 5E who are writing to express our support for Petit Scholars's application for a special exception from the minimum vehicle parking requirements of Subtitle C § 701.5 for its proposed childcare facility at 52 Quincy PI NW.

Petit Scholars's proposed project will bring much-needed childcare to the surrounding neighborhoods of Bloomingdale, Eckington, and Truxton Circle, where there is currently a scarcity of daycare options. We strongly support having a childcare facility within walking distance of our homes. This proximity would enable us to walk our children to daycare rather than drive, eliminating the need for additional parking. For these reasons, we support Petit Scholars's application for an exception from the minimum parking requirements.

We urge you to grant the variance sought in this matter, which will allow Petit Scholars to bring an important amenity to our community.
