RE: Parking for Petit Scholars Bloomingdale/Parent Pickup and Drop off

Date: September 20, 2021

I have secured a parking contract with the TAG-B parking company for the lot located at 77 P Street NW which is approximately a 3 minute walk from 52 Quincy Pl (Florida Ave entrance) per Google Maps. The contract for the parking space is effective October 1, 2021.

I am also writing to provide a note regarding the plans for parent pickup and drop off that is established for Petit Scholars Bloomingdale 52 Quincy Place NW. I have secured two parking spaces in an informal agreement with the management of the Exxon gas station located directly across the street. Parents can pull into two spaces and cross at the crosswalk at Florida/Quincy or Florida/Q.

Additionally a survey was conducted with families who have signed up for the waitlist. These are the families who will have the first option to enroll in the program. The following highlights the data results from families who are seeking enrollment; a. 39 families responded to the survey, b. 32/39 respondents live within a 1 mile radius, c. 28/29 plan to walk, 7/39 plan to use private vehicles, 2/39 plan to bike and 1/39 plan to walk and drive.
