Dear DCOZ,

I live in the vicinity of the residents who are applying for permission to add on to their house and I strongly support the idea.

I'm a longtime resident, extremely-low-income retired renter and when i walk past all these car garages that could be and should be rental housing especially ADUs geared to affordability, I am not happy about it.

That is all I need to say on the matter, best wishes to my neighbors there on Philadelphia Row.

"I waited patiently for the Lord;
He stooped down and heard my cry." Psalm 40
