Dear Sir/Madam,

We live across the rear alley from the proposed construction at 1709 17th Street, NW.

We are concerned that proposed construction may have an undue negative impact on the light, air and privacy of neighboring properties, in particular the lower floor rear windows and balconies of 1639-1641 R St NW.

We would request that no special exception be granted in this case without agreement of the direct neighbors.

Regards,

Daniel Adler and Barbara Donaldson
