Re: Postponement Request – BZA Case No 20636 (“Application”)  
4509 Foxhall Crescent, NW (Square 1397, Lot 960)

Dear Members of the Board of Zoning Adjustment:

On my behalf and the other undersigned residents of Foxhall Crescents, NW, we object to a postponement of the scheduled May 18<sup>th</sup> hearing and the rescheduling to June 15<sup>th</sup> or June 22 to allow the Applicant to furnish “supplemental information” on its Application. The information requested by the Office of Planning was required under the Regulations to be filed with the Application under 11 DCMR §305.4. The Application was filed in November, 2021, and again in April, 2022, and the Applicant is requesting the opportunity to file it now so that the pertinent undersigned and D.C. agencies would be seriously prejudiced by the shortness of time in reviewing and critiquing any information. The Application should be denied for failure to file a complete application as required or at the very least a hearing should be postponed for at least ninety days after the filing of any “supplemental information”.

Thank you for your attention.

Yours truly,
