Board of Zoning Adjustment
Frederick L. Hill, Chairperson
441 4th St NW, Suite 200S
Washington, DC 20001

Dear Chairperson Hill and Members of the Board,

Re: Letter of Support for 1933 2nd Street, NE, Washington, DC 20002

I am the owner of the property located at 1941 2nd Street NE, WDC 20002, an abutting property to 1937 2nd Street NE, WDC 20002. I have owned my building for over 25 years and currently lives here.

Mr. Oladapo Kolawole, the owner of 1933 2nd street, NE WDC 20002 has discussed with me in detail his plans to renovate his building including raising the building by one floor plus the rear addition to his building. I have reviewed his plans and the zoning relief request from the requirements for the roof and rear yard extension.

I am writing to offer my full support for this application and the whole project.

Oladapo has answered my questions relating to this project. It is my honest opinion that this project will contribute growth to our neighborhood and will not have any negative impact on my property.

The project is consistent with some developments on the block (house #s 2000, 1921, 1917, etc) which extend to the length of the relief being sort.

Overall, the proposed project will serve as a great addition to the neighborhood. I therefore recommend the Board approve the zoning relief and allow the building project to proceed.

Thank you for your dedicated service to our city.

Sincerely,

Mrs. Numu E. Kamara

Owner, 1941 2nd Street, NE, WDC 20002
