

BZA Application of Jeffery and Jill Miller
135 Kentucky Ave SE

I am a neighbor of Jeffery and Jill Miller who reside at 135 Kentucky Ave SE. They are seeking zoning relief from the District of Columbia zoning laws to add a two story addition off the back of the house and add an additional story to an existing garage. They have shared the drawings of the proposed work and have spoken to us about the project.

I have reviewed the materials and support the proposed addition.
