**Re: Letter in Support of BZA Case 20733 – 733 Euclid Street, NW**

Dear Members of the Board,

My name is David B. Kane and I am the owner of the property located at 737 Euclid Street NW, which is adjacent 733 Euclid Street, NW.

I am writing to give my support for the above-referenced BZA application. I understand that the Applicant is requesting special exception and area variance relief from the Board of Zoning Adjustment.

The Project meets all other development standards of the RF-1 zone, and I am supportive of the Applicant's proposal to raze the existing building and subdivide the property into four new record lots.

Thank you for your time and consideration.

Sincerely,

By:
