Hardie™ Architectural Collection

- HARDIE® ARCHITECTURAL PANEL**  
**FINE SAND**

Fine Sand has an even-textured, smooth, and consistent finish for a sleek look. Shiplap joints create V-grooved, architectural lines to add visual interest. Panels can be oriented horizontally or vertically to achieve a variety of designs.
- HARDIE® ARCHITECTURAL PANEL**  
**FINE SAND-GROOVED**

Create a fresh new look with these even-textured, smooth, and consistent finish panels. Grooves are milled into the panel every 16 inches to create clean architectural lines. Panels can be oriented horizontally or vertically to achieve a variety of designs.
- HARDIE® ARCHITECTURAL PANEL**  
**SEAGRASS**

Gentle flowing lines that create a dynamic finish inspired by nature.
