Re: Statement of Public Outreach

To whom it may concern,

The following efforts have been made to apprise the affected Advisory Neighborhood Commission (ANC) and other individuals and community groups concerning the special exception application:

1. Mr. Randy Speck (Chair) of ANC 3G have been contacted to discuss the scope of the project and the intent to bring this matter for a full vote before the ANC 3G board. We are tentatively scheduled to be on the agenda for the July 25, 2022 public meeting. The final schedule will be confirmed once the board gets a chance to review the application that was emailed to Mr. Speck on June 27, 2022.
2. The homeowners have reached out to all their immediate neighbors and obtained signatures from them stating they have no objections to the proposed addition to the home. They are in the process of obtaining signatures of the additional neighbors included in the 200ft Radius Map received from the D.C. Department of Revenue and Taxes.

Sincerely,

Jeffrey Hains
