Re: Letter in Support of BZA Case No. 20806 – 1016 Rhode Island Avenue, NE

Dear Chairperson Hill and Members of the Board,

My name is Eder Barboza, I represent the owner of Unit 8 at 1001 Bryant Street, NE, which is across the street and down about one-half block from 1016 Rhode Island Avenue, NE. I understand the Applicant is requesting special exception relief in order to raze the existing single-family dwelling and construct a new, three-story, 7-unit apartment building. I am writing to give my support for the above-referenced BZA application.

Thank you for your time and consideration.

Sincerely,

1001 Bryant Street, LLC
