Re: BZA Application 20829 for 945 52nd Street NE

Dear Members of the Board,

My name is Jennell Bradley, and I live at 905 52nd St NE, WDC which is located near the Applicant's property at 945 52nd Street, NE. I am writing to express my support for this BZA Application. I have talked to one of the owners, Dgessey Major, to discuss the project. I understand that JAG Real Estate is requesting approval from the Board of Zoning Adjustment for the project, a new 12-unit apartment building. He has informed me that the project requires approval because of the zone in which it is located. I believe this project will provide much needed housing for families in the community.

From what I understand, the building as planned is in full compliance with all zoning density standards, and requested approval is commonly provided by the Board under these circumstances. I appreciate that the project will provide 1- and 2-bedroom units and several off-street parking spaces.

The Applicant has taken the time to answer my questions and I am in support of this BZA Application. Thank you for your time and consideration.

Sincerely,

Jennell Bradley 10/11/22
