Re: **BZA Application of Christopher Astilla, 216 14<sup>th</sup> PI. NE**

Dear Board of Zoning Adjustment:

We own 214 14<sup>th</sup> PI. NE, the property adjacent to the property subject to an application before the Board. Our neighbor, Christopher Astilla, is seeking relief from the District of Columbia Zoning Regulations in order to construct a rear two-story addition to his home. He is seeking Special Exception relief as follows:

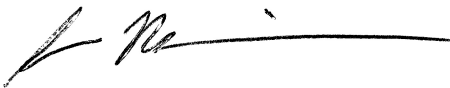

The proposed lot occupancy of 66.0%, exceeds the allowed lot occupancy of 60% (11 DCMR Subtitle E, Section 304.1).

The proposed addition extends greater than the allowed ten foot (10.0') beyond the farthest rear wall of any adjoining principal residential building on an adjoining property (11 DCMR Subtitle E, Section 205.4). From the existing rear wall of the adjoining neighbor at 214 14<sup>th</sup> PI. NE, the proposed addition would extend 10'-2" (at the second floor bay window projection).

He has shared the drawings of the proposed addition that have been submitted with the application to the BZA. We have reviewed the drawings and we support the proposed addition.

We recommend that BZA grant the request for Special Exception relief.

Sincerely,

---
