To Whom it May Concern:

I write to show my approval of plans to add a porch onto our neighbors' home. I have reviewed the BZA/HP concept plans for our neighbors Mike Hsu and Seema Gajwani. They seek to build a screened-in porch on their home at 610 South Carolina Ave, SE. I live across the alley from the back of their home. I have no objection and have given them my approval.

Please contact me with any questions or concerns.

Many thanks,
