Subject: Notification of Deck Addition

This letter is a notification from Asure and Robert Contee, III on the construction of a deck at 5526 MacArthur Boulevard, NW, Washington, DC 20016. We are seeking a permit to install a deck on our property that will be up to building code and comparable to other projects in our immediate vicinity. It is one story with stairs that will cover a portion of our backyard (see renderings below).

The deck will not have an adverse effect on the use or enjoyment of your nearby home. Nor will the addition affect your light, air, or privacy. The deck will not visually intrude upon the character, scale, or pattern of the homes in our neighborhood

In order to move forward with legally permitting this deck, we need the approval and signatures of our neighbors.

Please see below a rendering of the deck.

If you approve, please sign below.
