

BZA Application of Haider Haimus & Jessica Bachay
639 A Street SE

We are neighbors of Haider Haimus and Jessica Bachay who own 639 A Street SE. They are seeking zoning relief from the District of Columbia zoning laws to build a two-story garage at the rear of their property. They have shared the drawings of the proposed work. The architect they have employed (Jessica Fowler) is familiar to us and has an excellent reputation on Capitol Hill.

We have reviewed the materials and support the proposed garage project and believe it will enhance the aesthetic nature of our neighborhood. We look forward to working with Jessica and Haimus to ensure a seamless construction process with minimal disruption to the neighboring homes.
