Surveyor's Office
DISTRICT OF COLUMBIA

Washington, D. C. MARCH 16 1930

Plat, for Building Permit of

LOT-26-1/Q 3082

Recorded in Book 9-17 page 155

Scale: 1 inch = 10 feet

S.O. 3561B

NOTE: Data shown on this plat are based on the existing conditions and the records of the District of Columbia, D. C. and do not necessarily agree with the description.

This plat or approval shall show every wall, shed or garage, fence or other structure on the plat or survey. All buildings or additions, however small to be located, shown, and the foundations or construction, or parts thereof, including corner points, are correctly shown and agree with plans accompanying the application; that the foundations plan as shown herein is shown merely for the sake of the property lines shown on this plat, and that for reasons of the proposed improvements to be erected or shown herein the use of any lot or premises is not decreased to an area less than is required for zoning regulations for light and ventilation.

4-TH STREET (shown)

OAKDALE PLACE (to wit)

Under Block Complete

Furnished to SARAH WERBER

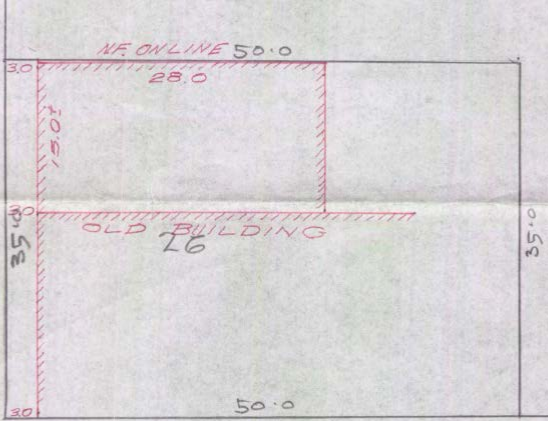

We hereby certify that upon the review of all the land within or over on this plat, that all existing improvements are shown thereon and are correctly shown; that all proposed buildings or constructions, or parts thereof, including corner points, are correctly shown and agree with plans accompanying the application; that the foundations plan as shown herein is shown merely for the sake of the property lines shown on this plat, and that for reasons of the proposed improvements to be erected or shown herein the use of any lot or premises is not decreased to an area less than is required for zoning regulations for light and ventilation.

F. F. Healy, Jr. Surveyor, District of Columbia

Per [Signature]

or applicant shall show upon such plat or survey, drawn to same scale as the plat or survey, all buildings or additions must be located and erected as shown on said plat or survey."—Build in accordance with Section 2, Part I, Paragraph B-11, Building Regulations.
