

Statement of Efforts to Apprise Advisory Neighborhood Commission and Others

This statement is regarding the Applicant's efforts to contact the local Advisory Neighborhood Commission, the Office of Planning, and adjacent property owners to discuss the application.

Matthew Oppenheim (owner) has reached out to adjacent property owners to inform them of the proposed improvements and intend to continue conversations regarding any concerns they may have.

Mr. Oppenheim has also contacted ANC 6 representatives Mr. Padro and Mr. Brown via email on March 14, 2019 notifying their intent of pursuing the BZA process for special exception and variance. A request was also made to be placed on the ANC calendar for the next meeting. A BZA Case number will be required to do so. The temporary BZA number has been provided to demonstrate the intent and communication with the Office of Zoning.

As the Applicant, I will submit an updated statement of the efforts to contact these groups and the results of these efforts at least fourteen (14) days before the scheduled public hearing.
