Re: **BZA Application for Ward Residence**
913 7th Street NE, Washington, DC 20002

I am the neighbor of the property at 913 7th Street NE. I understand that our neighbors are seeking BZA special exception approval to build a rear addition to their property that exceeds the 10ft allowed by-right. They have shared the drawings of the proposed work with me.

We have reviewed the materials and support the proposed addition.

Sincerely,
